hope at
home

restoring dignity, rebuilding lives

Hope at Home is a national charity fighting modern slavery and human trafficking in the UK.

We provide homes for survivors of slavery who would otherwise be destitute by training and supporting people to host them in their homes. Our safe and stable accommodation enables our house-guests to walk the difficult road towards independence, prevents re-trafficking and reduces homelessness.

Right now, more than 40 million people are in slavery across the world, at least 13,000 in the UK.

We believe freedom is not just a far off dream. For our guests, it becomes a reality.

For survivors of slavery...

Freedom is being able to breathe again without panic attacks.

Freedom is choosing what to eat for lunch.

Freedom is deciding to go for a walk in the park.

Freedom is choosing a career for yourself.

Freedom is working for an education.

Freedom is drinking a cup of coffee.

Freedom is having a home to go to after work.

Freedom is spending your own money.

Freedom is buying your own toiletries.

You can join us to see this freedom become a reality for survivors of modern slavery.

Modern slavery supply chains can be a stain on businesses, but you can help to erase that stain! By supporting us, you will not only demonstrate your commitment to social responsibility but will help to engage, retain and motivate your staff as they become part of the wider solution. We will promote your company across our marketing channels enabling the public to see your strong ethical values and commitment to see change, providing you with a loyal customer base.

There are two different levels of support:

Support us with donations and one-off sponsored events. We will promote this for you across our marketing channels.

Choose us as your 'Charity of the Year'. We will work with you to promote your company on our website and marketing platforms and you will hold fundraising events and support us financially as we see sustainable freedom for survivors.
